The exact income from the villages cannot be ascertained from the papers now received from the Dy Commissioner, but from the Inam Register it is observed that the Inam Supdt major Cole presumed at the time of the Inam Settlement in 1879, that the income from the two villages was much greater than the assessment which amounted to Rs 1745-7-3.

The Dy Commr of the Mysore District, has submitted the petn of the Inamdar Venkatalakshmamma praying

(In his No. 9 9th July 1907)

In respect of the notice served on the Inamdar, the Lady represents that the Chatram building at Bellale is not in a dilapidated condition and that the tiles over an adjoining verandah of the building removed to prevent non-brahmins cooking there & that therefore it might appear that the building is in disrepair on that account. She says that the building is being maintained in a good condition ever since its establishment by her ancestors, & that feeding

It is represented that the complaint is from the Shambhoga of the inam village who tampered with the accounts and was convicted & sentenced.

Muzrai Secretary's remarks:-

In her petition the Lady Inamdar Venkatsubbammaniavaru says that the Chattram building is in good order, that feeding of pilgrims is regularly conducted and that the complaints of mismanagement are due to

Spite on the part of the village Shaubhogue. Mr K Srinivasa Rao's report however, was to the effect that the building is in a dilapidated condition, that no regular feeding was conducted and no accounts were kept.

It is clear therefore that the object of the grant is not being properly fulfilled.

The Inam Register shows that the two villages have been granted as Sarvamanya, that the income is much more than the assessment, viz Rs 1458-4-0, and that by the Sanad the income whatever it may be is to be entirely devoted to the use of the Chattram

GPB—3,000—22-6-06

File No. 80 of 1904 Muzrai Secretariat.

It seems probable that the present holder of the villages is treating the inam villages as if it were her own private property, merely making a show of keeping up the Charity. Two Deputy Commissioners, namely, Mr. Sparkes and Mr. Kantaraj Urs have recommended that the Chattram and its endowments should be taken under Government management

Orders are solicited whether this may not be done.

States that the Inamdar of the inam villages endowed to the above Chattram failed to produce the accounts of the villages though several notices were issued to him, that on his way to Nagamangala, it came to his notice that its affairs were anything but satisfactory, and that only certain repairs had been executed to it and that the feeding is conducted only on Ekchukatte days.

Proposes that as the object of the charity is not being fulfilled and as the Inamdar has evaded to furnish the accounts though ample time was given, the Inam villages and the Chattram may be taken over under Govt. management.

1. I have examined the Samads quoted in col^{n} 11 and it is clearly stated in that of the 24th January 1820 that the revenue derived from those villages was to be entirely utilized for the feeding of travellers and up-keep of the Chattram.

2. Shown are the Register No^{s} 70 of the Asli case Bale Rajeurs's Chattram in the Kadakolu village of the Mysore Taluk.

Koonjul
15th Nov^{r} 79

(Signed) Robert Cole
Superintendent.

3. I have read the Register No^{s} 70 of the Mysore Taluk. Those villages were granted for a separate Chattram and need not be further alluded to here.

4. I have also read letter No^{s} 160 of the 9th October 1879 to the address of the Assistant Superintendent from the Assistant Commissioner in charge of the Palace Establishment, copy attached. It is clear from this letter that the whole of the villages held by the Bale Rajeurs family are now in the management of the Palace, but the actual amount devoted to the maintenance of the Chattram is nowhere shown. The Asst^{t} Comm^{r} in charge of the Palace has however stated in his No^{s} 108 of the 15th August, last copy attached to my address that Rs 750/- is annually paid by the Palace out of the Estate amount for the Chattram to Chik Nanjerajurs, who now manages the Chattram.

5. The assessment of this village is Rs 668-1-2 and that of Manakanhalli 1077-6-1 or Rs 1745-7-3 for the 2

It is to be presumed that the Income derived from these villages is much greater than the Assessment, and by the Inamdar the Income "whatever it may be" is to be entirely devoted to the use of the Chattram, instead of which only Rs 750/- have been paid annually for the Chattram and the rest of the Revenue has been devoted, apparently, to defray the private debts of the family. This is in direct contravention of the grant; but as the Chattram was built by the family and is managed by the present head of it, I conclude that the Local Government, as the successor of the Maha Rajah who had made the Grant, can issue such orders as it thinks fit. A copy of this Register will therefore be submitted to the Chief Commissioner for orders on the subject, as I can only confirm these villages on the conditions of the Grant, Viz, that the whole of the revenues be devoted to the maintenance of the Chattram, which has not been done for 7 years.

6. Read also Report, No. 136 of the 17th August last from Mr. C. Vyasa Row, Officiating Assistant Inam Superintendent on the present condition of the Chattram. A copy of this letter will be sent to the Assistant Commissioner in charge of the Palace for the issue of the requisite orders for the execution of the necessary repairs:

7. With these remarks I confirm these villages rent-free for the benefit of the aforesaid Chattram in this village.

8. The villages are subject to all Local funds and Irrigation cesses.

9. The items of Sayer and Abkari were included in the Beriz of the village and are conceded.

10. All Government rights in Forests are reserved.

11. As the village is under Government management a detailed Survey will be made.

12. In his Proceedings No. 211-12 / R 54 of the 13th April 1880, the Chief Commissioner has been pleased to approve of the Inam Superintendent's proposal to treat the villages granted to Bale Raje Arsoo's family as grants for the maintenance of the Chattrams, and to state that the existing arrangements need not be disturbed as they will shortly terminate

Sir,

Referring to your letter no 457 dt 18th June 1905 reporting on the affairs of the Balé Mts Chattram at Bellalé in the French Rocks sub Taluk, I am directed to observe that the Assistant Commr's (Mr K. Sreenivasa Rao's) report discloses the facts the Chattram buildings are in a dilapidated condition that no of travellers is

that no accounts of
the inam villages have been
kept and that the affairs
of the villages — Manakanhalli
and Bellale — are altogether
mismanaged. There is therefore reason
to consider that the objects
of the grant have not
been fulfilled and that
the lands are subject to
resumption under the
Inam Rules. The villages
are reported to be valuable ones yielding
an income of about
Rs 2000 per annum and
granted as Sarvamanya
for the support of the Chatram

passing final orders,
I am directed to request
the favour of Your issuing
a notice to the Inamdars
within two months,
to show cause, ~~as to~~ why
Govt. should not take

of the villages into their

the Charities for which
the villages were originally

Sir,

In continuation of this office letter No. 533 dated 6th June 1908 and with reference to your reminder No. 847 dated 26th August 1908 re the affairs of the Bale Raj Urs Chattram at Bellale in the French Rocks Sub Taluk, I have the honor to state that the Sub Division officer of French Rocks reports that a fresh notice was again issued to the Inamdar to produce the necessary accounts and that the same was returned duly served with the Shara of the Inamdar stating that she has no reference of having furnished such documents on former occasions and hence there was no manner to produce the same The notice containing the Shara of the Inamdar is filed with

the

the records herewith submitted.
2. on the 8th of September 1908
when I made local enquiries
on my way to the Nagamang
ala Taluk regarding the chat-
tram in question it came to
my notice that its affairs
were anything but satisfac-
tory. It was reported that
petty repairs had been done
to the chattram by the Dwandar
and that it required further
repairs to restore it to a
good condition. It has also
come to my knowledge that
no feeding is going on in the
chattram except on Kelebu
Kalle occasions and that the
object of the charity is not being
fulfilled.
3. Since the Dwandar has evad-
ed to furnish the necessary
accounts even though ample
opportunities were afforded to her
and the object with which the
Inam villages have been en-
dowed to the chattram is de-
feated, I recommend that
the Inam villages and the

Chattram may be taken under Government management as already recommended in my letter No. 505 of the 15th June 1907.
